

Uniforms and Policy

All students are required to wear the specified uniform. The uniform is important as it:

- enhances pride in the school and provides a sense of identity
- enables all students to be identified as part of the school
- allows outsiders to be easily identified and challenged immediately
- provides appropriate attire for a professional workplace
- reduces issues associated with not wearing the latest trend.

A new school uniform has been developed which reflects the new branding, including new logo, of Seaton High School. This will be introduced as follows.

Year 7 and 8 students 2022

All students are required to purchase the new school uniform.

Current students

Students may continue to wear the 'old' school uniform. As items need replacing, students are welcome to purchase the newly developed items. However, 'old' uniform stock will still be available until it runs out.

The uniform shop, Hambours, will initially be prioritising fitting out the incoming year 7 and 8 students with the new school uniform.
